ABOUT ME

I'm 22 and I'm ambitious and curious about learning new things. I'm working on my own projects and from time to time co-op with my friends. I have a lot of projects and ideas in my mind and I always trying to do my best even if I'm not good at something.

SKILLS & EXPERIENCE

Python
Django
PostgreSQL / Databases
HTML / CSS / JavaScript
GitHub
English
PHP
React.js

CERTIFICATES & COURSES

PL-N0059937, ECDL Base Certificate

E.12 - E.13 - E.14 - Computer, Networking and Programming Basics

Python Django 2021 - Complete Course by Dennis Ivy

Django 3 - Full Stack Websites with Python Web Development by Nick Walter

Django Ecommerce | Build Advanced Django Web Application by Rathar Kumar

The Web Developer Bootcamp 2022 by Colt Steele

WORK EXPERIENCES

Internship - 3 months

MKR TPE - Białogard

I was working on their company website and taking care of their e-commerce website where I was responsible for putting new stuff on the store and managing orders. I've worked with security alarms, preparing network connection utilities and I was responsible for phone service with clients.

EDUCATION

Secondary School Complex in Białogard

IT Specialist | Sept 2015 - Apr 2019

My IT curiosity for started here. I passed A-level exam (English writing with above 80% and speaking with 100%), all technical exams (E.12, E.13, E.14) and got certificates. During my school I earned knowledge about programming basics (C++, HTML/CSS, PHP, SQL). At the end of my education I earned ECDL/ICDL base certificate (European Computer Driving License).

PROJECTS

I'm putting my projects on my GitHub. If you're interested in some of them here's my profile link:

<https://github.com/marczak01>

My LinkedIn account:

<https://www.linkedin.com/in/marek-marczak-1864791a5/>

I run a blog on my website and add my projects there and share my ideas with others. At this moment it's unavailable online but I'm working with it locally.

It will be available soon!
